

October 28, 2009

The Turf Club met at Dr. Karnok's home for the annual cookout and flag football game. After the football game which ended in a tie, we ate hamburgers, hotdogs with all the trimmings which were prepared by Ms Karnok.

Sam led a brief meeting which he encouraged everyone to pay their dues and pickup one of the new shirts that were ordered. He mentioned that we need to remember to attend the Georgia Turfgrass Conference December 9 and 10, at the Gwinnett Center in Duluth. UGA will have booth setup and we will be able to sell shirts and stickers as well as make good contacts with leaders in the Turfgrass Industry.

Also, Sam and a couple other members attended the Annual Meeting and Vendor Fair of the Georgia Golf Course Superintendents Association in Stone Mountain. They sold raffle tickets for a football signed by Mark Richt and met several of turfgrass industry leaders.

It was mentioned that Sam Burgess, Nick Chapman, Trevor Floyd and Kyle LeBlanc represented our Club in a golf match against the ABAC Turf Club. The match took place at a great course called River Forest which is about halfway between the two schools. The UGA Turf Club team won by one stroke. Two of the ABAC player were on the ABAC golf team.

Respectively submitted,

Adam Leakey
