

Turf Club Meeting Minutes

Date: November 18, 2008

Location: Miller Plant Sciences 3402

Time: 5:00 p.m. – 5:30 p.m.

5:00 – 5:05

- Introduction of the topics spelled out by President Jordan Bell

5:05 – 5:30

- The Golf Course Superintendent's Association of America is having the GCSAA Education Conference and Golf Industry Show in New Orleans in February
 - Turf Members are encouraged to join the GCSAA to get in to the show for FREE, literature was provided by David Fleming
 - Go to GCSAA Web site, www.gcsaa.org
 - Hotel and gas will be paid by Turf Club
 - The show will run from Thursday morning to Saturday morning
 - Exact dates will be explained later
 - We plan to make reservations early, so all those that think they might want to go need to tell Jordan Bell soon
 - Jordan will be looking into the costs soon
- The Georgia Turf Conference is starting on December 10th in Gwinnett County
 - If graduates are going go ahead and make a resume to bring to put on the display booth
 - The show is running from 12pm to 3pm, everyone is encouraged to be there the whole time
 - Directions will be supplied later on by Jordan Bell and car polling is best.
 - Dr. Karnok will be there as well, and he will be setting up the display booth and getting everything ready
- The CRSS Department will be having a cook out on Friday November 21st at 12-3pm
 - Softball and food
- Horticulture Club is having a meeting November 19th to talk about PLANET at 7pm
 - Weed id competitions, irrigation competitions are planned to be talked about for the California trip
- Dr. David Burle wants us to know about AASE 4920 class to take in spring

- It counts as a 3 hour course, and you will be teaching 2nd graders science related topics
 - Contact John Whitaker for more details
- Finally we want to have a End of the Semester club function
 - Bowling, Wild Wing, etc was possible options
 - Mostly funded by Turf Club
 - Thursday December 4th is the idea for the club, but not in stone
